

PUBLIC: FEE SCHEDULE

US-listed Stocks & ETF's, OTC Stocks and Options:

Fees charged by Public Investing are listed below. Regulatory agencies charge us fees for certain trades, which we pass onto you; see the "Regulatory Trading Fees" section below. If you are investing in stocks and ETFs as part of an Investing Plan, the fees described in the "[Investment Plans](#)" section below apply instead.

Fee Type	Fee Amount
US-listed stocks and ETFs - trades during regular market hours (9:30 AM – 4:00 PM EST)	Premium Members: \$0 Non-Premium Members: \$0
US-listed stocks and ETFs - trades during extended market hours (8:00 AM – 9:30 AM & 4:00 PM – 8:00 PM EST)	Premium Members: \$0 Non-Premium Members: \$2.99 per trade
OTC stocks	Premium Members: \$0 Non-Premium Members: \$2.99 per trade
Options **	Premium Members: \$0 Non-Premium Members: \$0

** If you enrolled in our [Options Order Flow Rebate Program](#) ("Program"), you will receive a rebate per options trade to help reduce your trading costs. If you enrolled in the Program before 11:59 PM EST on March 31, 2024, you will receive a rebate equal to 50% of our order flow revenue for each options trade you complete. If you enrolled in this Program after March 31, 2024, your rebate will range from 16% to 50% of our order flow revenue for each options trade you complete, depending on the number of friends you refer to Public who are approved for options trading and whether you were a referral yourself. See full Program terms and rates [here](#). Rates subject to change without notice.

Bonds:

Fees charged by Public Investing are listed below. If you are investing in US Treasury Bills through your separate treasury account with Jiko Securities, the fees in the "[Jiko Treasury Account](#)" section below apply rather than the fees in this section.

Type of Bond	Fee per \$100 of par value

High-Yield Cash Account:

Fee Type	Fee Amount
Fees charged by Public Investing for opening or maintaining High-Yield Cash Account	\$0.00

Cash in your High-Yield Cash Account is swept to [Partner Banks](#), where it earns interest. Partner Banks pay Apex Clearing and Public Investing administrative fees for operating this program, which impacts the interest rate that they pay to our members on swept cash.

Alternative Assets:

Dalmore Group, LLC ("Dalmore") acts as broker-dealer to facilitate the trading of alternative asset securities and charges the commission below to both the buyer and seller on each completed trade.

Commission Type	Commission Amount
Dalmore commissions	2.5% per transaction (for both buyer and seller)

The issuer of alternative asset securities may pay additional fees (described in the applicable offering circulars) that can affect investor returns. This includes 10% of profit on liquidation and, where applicable, a percentage of free cash flow. These fees are not charged directly to investors.

Jiko Treasury Account:

On Public, you can open a "Treasury Account" with Jiko Securities, Inc. ("Jiko"), a separate broker-dealer registered with FINRA and SIPC. A Treasury Account is a Jiko brokerage account that allows you to easily make recurring investments in 6-month US Treasury Bills for as little as \$100. Jiko charges its customers a monthly management

fee, which it deducts from your Jiko Treasury Account. If there is insufficient cash in your Jiko account to cover this fee, Jiko may sell treasuries held in your Jiko treasury account to cover any shortfall.

Fee Type	Fee Amount
Jiko Management Fee	0.05% per month based on the average daily balance of your Jiko treasury account

Public Premium:

Fees charged by Public Investing are listed below. Public Premium is a paid subscription service that gives you access to enhanced trading features, advanced data and analysis, and portfolio management tools. Learn more about Premium at public.com/premium.

Regulatory Trading Fees

These are fees charged by regulatory agencies or exchanges, and passed onto the investor. These fees are subject to change without notice. You should always check the current posted Fee Schedule before placing trades in your account.

Fee Type	Fee Amount
SEC regulatory fee	\$8.00 per \$1,000,000 of principal (equity and option sells only), rounded up to the nearest penny
Trading activity fee (TAF)	\$0.000166 per share (equity sells) and \$0.00279 per contract (option sells), rounded up to the nearest penny. Equity fees are capped at \$8.30 per trade.
Options regulatory fee (ORF)	\$0.02685 per contract (option buys and sells)

As always, our investors are our top priority. If you have any questions or concerns about your fees, [let's talk!](#)

Public Investing reserves the right to waive or vary its fees, permanently or for a period of time, at its sole discretion for any reason. Fees are subject to change at any time. This is not an offer, or solicitation of any offer to buy or sell any security, investment, or other product.

Processing and service fees assessed by third parties may be passed through to your Public Investing account. Some products and services offered by Public Investing may require additional fees or transaction minimums for certain products or services not specifically listed here. Prior to placing a trade or requesting any services, it is your responsibility to ask Public Investing if any additional fees will apply.

As of April 3, 2024.
