

## One-Time Promotion Reward Terms and Conditions

*If you've received a promo code from Public, then you may be eligible to earn a stock reward by following the below directions. This program is limited to new customers of Public who have never previously had a Public brokerage account, subject to terms and conditions below.*

*\*Limited time only.*

### ***How can I redeem the offer?***

1. Sign up for Public.
2. Open an approved brokerage account with Public Investing.
3. Deposit funds into your brokerage account.
4. Enter a valid promo code and claim your reward from the Rewards button on the top right of your home screen.

### ***How do I know if I am eligible to claim my offer?***

To be eligible to claim your reward, you must be a first-time member, open an approved Public Investing brokerage account, deposit at least \$20 into that account, and have a valid promo code. For more eligibility requirements, see **"Terms and Conditions"** below.

A "reward" is a fractional share of a designated stock. Fractional shares have limitations, like limited or no voting rights. They are also illiquid outside of Public and not transferable. See [here](#) to learn more about fractional share investing.

### ***How does Public Investing choose rewards and how much value can you claim?***

If you successfully complete the steps listed above, you can earn a stock reward in the value that you see in the Rewards section of the Public app.

You will be able to use your specific dollar amount reward to choose from a pool of designated stocks listed on NYSE/Nasdaq. Stocks are designated from Public Investing's inventory of settled shares.

### ***How can I claim my reward?***

Enter your promo code in the "Rewards" section of the app on the top right corner of your home screen. Public will alert you as soon as you are cleared to claim your reward. Tap on the notification and choose from one of the designated stocks.

Once you have claimed your reward, the cash value of the reward may not be withdrawn for 90 days.
